ABOUT SEASIDE

The Town of Seaside is a gulf front community located in South Walton on Scenic Highway 30A between Destin and Panama City Beach. Founded in 1981 by Robert and Daryl Davis, Seaside is the much-heralded birthplace of The New Urbanism movement, which is based on rediscovered traditional town planning principles. Situated on 80 acres, Seaside is a pedestrian-scaled beach town with nearly 500 residences and 60 specialty boutique shops, along with several restaurants, a repertory theater, amphitheater, park, swim and tennis club, and interfaith chapel — all accessible within a short stroll or bicycle ride.
